## Serie 8

Perfection in every detail, our **Serie 8** range stands out from the crowd with superior quality, results and first-class design. Discover cutting-edge features and extras such as **i-DOS** automatic dosing system and targeted **AntiStain** programmes to take the guesswork out of stain removal. Our **4D Wash** function ensures highly efficient usage of water and detergent guaranteeing spotless results. Monitor and control your wash remotely with our **Home Connect** models, developed to give you complete control over your washing.

## Serie 6

Our **Serie 6** models offer advanced features to make life easier. **i-DOS** doses each load with millilitre precision, which not only delivers outstanding results but a host of savings. **SpeedPerfect** allows you to wash up to 65% faster without compromising results.

## Serie 4

Easy to operate with family in mind, our **Serie 4** range truly understands your requirements. Practical and straightforward to use, these appliances combine easy operation with stylish design. These models benefit from the **Reload** function, which allows you to open the door throughout most of the cycle so you can add or remove items at any time.

## Laundry functions explained.

(Check model for available functions)

**VarioDrum**  
Select the programme for your wash and the droplet-shaped drum structure and asymmetrical paddles will adjust the drum movements to powerful or gentle.

**EcoSilence Drive**  
Bosch EcoSilence Drive washing machines come with a 10-year guarantee.

**Aqua Stop**  
This security gives you peace of mind that the water will stop in the unlikely event of a leak.

**i-DOS**  
i-DOS automatically senses exactly the right amount of detergent and water to use, as well as the correct temperature, whatever your load, adapting to the fabrics, level of soiling and weight of the load.

**AllergyPlus**  
Hygienic washing results that kill 99,99% of common germs\*.

**Reload**  
Simply pause the cycle and the machine will automatically adjust the water. This allows you to add or remove items of any size to your wash.

**Time Delay**  
Have your laundry ready when you need it. Just delay the start of your programme with one simple button.

**AntiVibration Design**  
A spiral design on the side of the washing machine that increases stability and reduces vibration. This makes for a quieter machine with improved sound dampening.

**Capacity**  
Our Freestanding washing machines have a drum capacity of up to 10kg, perfect for those busy households.

**Home Connect**  
Home appliances with smart connectivity. The Easy Start Guide function removes the guesswork by recommending the right programme to you – directly from your mobile device. Also if you wish, Push Notifications can be sent from your washing machine directly to your mobile device.

**SpeedPerfect**  
Wash up to 65%\*\* faster without compromising results. SpeedPerfect can be used in combination with most other programmes, all loads and textiles.

### 4D Wash

A combination of the direct water spray and an extra spin wash enables the most efficient and effective use of water and detergent, even when the drum is fully loaded. Achieve spotless laundry results every time.

### Intensive Plus

For heavily soiled laundry, sometimes additional treatment is needed. Intensive Plus gives a boost to your cleaning performance by adding an extra wash for approximately 30 minutes. Providing you with brilliant results even on the most challenging clothes.

\*Bosch washing machines with the 'AllergyPlus' wash programme at 40° and 60° fulfill scientifically recommended conditions for 99,99% of germ reduction for Enterococcus Hirae and Pseudomonas Aeruginosa, according to Honisch et al. 2014, "Impact of wash cycle time, temperature and detergent formulation on the hygiene effectiveness of domestic laundering." Conducted by University Rhine-Waal.

\*\*Difference between the duration of Easy Care Programme 40°C and the duration of Easy Care Programme 40°C in combination with SpeedPerfect option.
